Hi Awesome FBLAers,

Thanks so much to those of you who came to our yearbook picture; we hope you enjoyed the cake in honor of Adviser Appreciation Day :) We introduced tons of new events and socials, so please make sure to read this summary carefully and completely, and as a reminder, please check our website for signups and downloads!

- Day of Reckoning will be taking place February 14-15 (the schedule for events is attached) so if you're a Bay Section competitor, make sure you study and contact Nancy (vpwrittencomps@hhsfbla.com) if you have questions!

- The next Bay Section study session will be on February 16th from 3:15-5pm! This is a great opportunity to grab hold of extra textbooks and practice tests.

- Tomorrow (Wednesday) during lunch, Sanjana will be holding an Internship Workshop. If you're interested in looking for an internship or if you're confused, come to get your questions answered by officers who have been through the process! You can also download the Summer Opportunities packet on the website

to look for great and productive ways to spend your summer!

- Rose Gram sales are going on right now! Buy a rose for a special someone in your life for only \$2 to be delivered on Valentine's Day to either their 1st or 3rd period class. Also, come out to the Rose Gram Wrapping Social, which will be on Monday, February 13th after school to help us prepare for our deliveries.

- We will be having a Giant Monopoly Social at Discovery Meadow in San Jose where they have a huge cement monopoly board! The social will be this Saturday, Feb 11th from 9am to 12pm. Sign up [here](#) if you're interested.

- Our long-awaited Laser Quest Social is finally here! It will be on Friday, Feb 10th from 6pm-9:30pm. The cost is \$18 if you pay Harrison or Miranda ahead of time, or \$20 at the door. There's a limited number of spots, so turn in your money quickly!

- This Thursday during lunch, Matthew will be hosting a competitive Jeopardy game relating to topics about business and FBLA in general. There are chances to earn amazing prizes, meet new people, and learn something new so bring your lunch and have some fun!

And congratulations to our January Member of the Month, Ji Eun Lee! Remember to keep studying and practicing for your competitions and we hope to see you at the many events coming up! As always, let us know if you have any questions. Best, Jasmine
