In case you weren't able to make the meeting today, here's a summary of what was discussed.

Important for State Competitors: If you did not go to the meeting today, please make sure you stop by A207 and pick up a copy of all the permission slips and forms you will need to fill out. They're on the table closest to the door. As a reminder, the forms and check are due to Mr. Lee or Miranda on Tuesday, March 13th by the end of lunch. Please make sure you adhere to this deadline!

AE's Culmination, the Business and Film Festival, is this Friday from 4:30-6:30pm at the Quinlan Center. Come to this black-tie event to learn more about the film industry, listen to guest speakers, and support the AE members!

This Saturday, we will be volunteering at Full Circle Farm from 12-3:30pm as a part of our Go Green Project. Come to have fun and help the environment at the same time. The officers will be there and we would love to hang out with you :) Sign up for one of the shifts at hhsfbla.com

To competitors: Thanks for all your hard work in making Bay Section a great success. State is in 44 days and we hope you continue to work hard. If you did not qualify for state, please return your textbook to Nancy during tomorrow or Thursday tutorial; you must do this or you will receive a delinquency!

If you're interested in trying out for events that open at state (such as Management Information Systems, Introduction to Parliamentary Procedures, or Network Design), tryouts will be during Friday tutorial and lunch in A207. If you want to try out for Client Service, sign-ups are outside of A207 and will be on March 12th (next Monday) beginning after 6th period. If you want a complete listing of all events or have any questions,
